Kent 11+ Mocks offers practice exams for children moving to secondary education in September 2025. They are held in Westerham Hall, Quebec Avenue, London Road, Westerham, Kent TN16 1BG

Morning session registration is at 9:15am and the session finishes between noon and 12:15pm.

The mock exam consists of an English, Maths, and a 3 section Reasoning paper as does the Kent Test. There are different papers each day so children attending multiple days take a different test each time.

Places are on a first come basis and are **£80** for each session at the venue. A distanced test conducted by you at home is **£40** per test.

Normally no refund once confirmed.

Send this form to Kent11PlusMocks@gmail.com or **OMR Methods, Brasted Hall Lodge, High Street, Brasted Kent TN16 1JA**. Payment methods, including Electronic Transfer are emailed on receipt of this application.

We email your confirmation slip with candidate number on receipt of payment.

All test instructions are emailed between 1 and 2 weeks before the scheduled test date. Distanced tests can be conducted at a time convenient to you.

Your results are emailed to you and uploaded anonymously to www.mock11plus.org.uk/results with candidate numbers the same day. The marked answer sheets are posted to you with correct answers indicated on each sheet. No administrative records are kept after event.

The mock exam results do not influence school placement.
